Participant/Presenters

Annie Beckham, LCSW completed her post-graduate work in Art Therapy at Pratt Institute. She is currently a Therapist/Consultant at AMHC specializing in child, family and adolescent outpatient services.

Jennifer Blanchard, LCSW-C, RPT has worked for over 10 years as a counselor in a PreK-12 school, supporting children, parents, and faculty. She has also provided consultation on Life Skills curriculum development to promote resiliency as well as social and emotional wellness. She specializes in sandtray therapy in her private practice with children, adolescents and families.

Barbara Bland, LCSW works with adults, teens, children and families in her private practice in Ellsworth. Her area of specialty is addressing childhood trauma issues as well as grief and life transitions. She uses Phase Oriented Trauma Treatment, play therapy and other approaches in her client-centered work.

Patricia Bradstreet, LCPC-C, RPT has 34 years of experience working in public education, she is currently employed as a school counselor in a K-8 school. Patti is in the process of starting a private practice in Brewer working with children, adolescents and families.

Sue Carroll Duffy, Psy.D., RPT-S is a psychologist working at Pleasant Point Health Center and in private practice. She is a Registered Play Therapist and Supervisor and Play Therapy Continuing Education Provider with a special interest in sandtray therapy. She is developing the Moving Stories Method.

Katherine Cook, LCSW, CADC has over 16 years experience in the mental health and substance abuse field. She specializes in the treatment of trauma survival and the resultant depression, anxiety and post-traumatic stress due to abuse. She is Director of the Eastport Health Center Mental Health Department.

Serita Corey-Childs, LCSW, RPT-S has worked in Adult Crisis Services (suicide hotline and mobile outreach), Community Outpatient and Residential Mental Health and Treatment Level Foster Care. Currently she is employed by Harrington Family Health Center where she sees both Children and adults.

Barbara Fox, LCPC is in private practice. She has a BS in Human Ecology, an MA in Spirituality, and an MA in Expressive Arts Therapy. Over the years she has worked as a full-time mother and homemaker, artist, home economist and teacher.

Stephanie Francis, LCPC/RPT/NCC has 35 years in education—the last 12 years as a school counselor at the elementary and middle school level and the first 23 as a special educator. Presently, she is a preschool to grade 5 School Counselor, using child-centered play therapy and Theraplay. Work with teachers and parents is also an area of interest.

Robyn L. Greene, LCPC has worked at Northeast Occupational Exchange for 13 years. Her specialty is family reunification and counseling victims of abuse. She has developed and facilitates a non-offending parent group for parents of sexually abused children and a non-offending partner of domestic violence group. She also teaches parenting skills using the Incredible years model. She is becoming a RPT and Moving Stories Trainer.

Anne Leaver, LCPC, LADC has worked as a therapist in homeless services in the DC metro area to frontier outpatient and crisis treatment in the Colorado mountains. She has a MFA in English and a MS in Clinical Pastoral Counseling. She is certified in Disaster Mental Health (ARC), is a Buddhist & Reiki practitioner.

Jeanie McPherson, LCSW is an LCSW in private practice in Ellsworth, Maine. She works with community outpatients, DHHS, foster care, and the court system. Jeanie works primarily with children, adolescents, adults, and families who

Connie McVey, LCSW, has been a child and family therapist for the past 14 years. Connie has worked in child and family therapy clinics in Washington, DC and Boston, and most recently at Acadia Hospital in Bangor as an outpatient therapist. She specializes in play therapy, sandtray therapy, and is trained in both EMDR and Ericksonian Clinical Hypnosis.

Ginny Everson Pond, M.Ed, MSW, LCSW is a level II EMDR therapist, level I Reiki practitioner. Earlier experience working in psychiatric and general hospital settings and the teaching field have contributed to her interest in applying neuroscience perspectives in treatment of anxiety spectrum disorders, including PTSD.

Kandi Robertson, LCSW graduated from The University of Maine with an MSW in 2005. She has worked for 3 years at The Harrington Family Health Center. She has a mixed case load with children, adolescents and adults, however her focus is young children. She is working towards becoming a Registered Play Therapist.

Lauren Simpson, LCSW has worked for the last 10 years with individual, group and family therapy to children and adolescents in residential treatment at the Calais Children's Project. Lauren brings body-oriented interventions to her practice, Cognitive Behavior Therapy and DBT.

Pat Todd-Lewis, LCSW / CADC is a graduate of the University of New England College of Health Professions and works at the St. Croix Regional Family Health Center in Princeton Maine providing mental health care to individuals and families. Patricia's particular interest is working with the adolescent population.

Cancellation Policy: Participants are required to present once during the year. If a participant is unable to present they are responsible to find a replacement presenter and will be re-scheduled for a future event. The payment of \$100 is nonrefundable.

Size: Limited to 18 Participant/Presenters

Continuing Education Credits: Certificates of Attendance will be awarded for each presentation. Each day is designed to provide 6 CE Credits or Contact Hours. Partial Hours permitted with approval. By The Sea Seminars is responsible for the workshops. For workshops with "Play Therapy" in the title, CEU's can be used towards becoming or maintaining Registered Play Therapist status. By The Sea Seminars is approved by the Association for Play Therapy, Inc. to offer continuing education (04-144). By The Sea Seminars remains responsible for the workshop. Approval is pending for 6 CEU's per workshop session from the Board of Social Worker Licensure. Per the Maine Licensed Professional Counselors Board, it is up to the individual to decide if the program enhances his/her professional competence.

Workshop Locations

September Workshop: Christ Church, 21 Key Street, Eastport. Take Route 1 to Route 190 into Eastport. Take a right on High Street and a left on Key Street. Christ Church is immediately on the left. The telephone number is: 853-4598.

November Workshop: Acadia Hospital, 268 Stillwater Ave., Bangor. Take 1A from Ellsworth. As you enter Brewer, 1A splits— veer right, going on State Street. Stay on State through Brewer, crossing over the Penobscot River into downtown Bangor, where State becomes Broadway. Stay on Broadway about a mile. As you pass a large park, you will come to a light—Stillwater Ave. Take a right on Stillwater. Go about 1 mile and turn left in the main entrance at Acadia. Park anywhere, it is free. 973-6100 (General Number). 973-6596 (Connie's number).

March Workshop: Harrington Family Health Center—Route 1 Harrington. The Harrington Family Health Center is next to the Irving station and the intersection of Route 1 and Route 1A. Coming from Machias, it is about 20 miles South. The phone number is: 483-4502. Potluck with no kitchen.

June Workshop: 42 Rabbit Lane, Whiting, ME 04654 Directions: From Machias: Take route 1 North through East Machias toward Lubec. Turn left on Halls Mills Road and go .6 miles to Rabbit Lane on the left. Our house is the first on the right, it is gray with stone and white trim. From Calais: Take route 1 South through the village of Whiting, Halls Mills Road is about five miles past the village on the right. On Halls Mills Road, travel .6 of a mile to Rabbit Lane on the left. The house is the first on the right, it is gray with stone and white trim. The phone number is: 207 259-4440. Lunch will be provided.
